Dear Keith,

I would on behalf of my family like to thank you and your team for the wonderful memorial Head Stone & the Bench you all have designed and installed for my husband at the Greatness Park Cemetery in Sevenoaks, Kent. Your Kindness, Patience & Sensitivity at this time is much appreciated! As for your expertise in designing something so very beautiful & unique just from our conversations over the phone leaves us dumbfounded!!! You have excelled our wildest dreams! As I have mentioned to you a few times, my husband was a perfectionist but even he would have agreed that this, his Memorial is absolutely perfect & unique and done at such speed too. The people who take care of the cemetery say that already so many people have come to their office praising the memorial and asking for your details. We will certainly recommend to anyone who needs a similar service. Many, many thanks again and God Bless You All.

Best Regards,
Valerie Dias.

Dear Keith & Staff at UK Memorials,

I have just visited the cemetery to inspect my late mother's memorial which has just been installed. I just wanted to say a massive "thank you" to you and your Staff.

Excellent service deserves to be acknowledged. From my first point of contact with you Keith, through to everyone else that I have dealt with, your products and customer service have been absolutely First Class.

I know my mother would have been very pleased with this fitting memorial as I, and all of my family are. Thank you once again, I will have no hesitation in recommending your Company to others.

With kind regards.

I would like to thank you from the bottom of my heart for all the hard work, time and care you spent on my Nan & Grandad's headstone.

It is perfect in every way, I couldn't have wished for more. You're a brilliant memorial service. Very polite and always kept me updated.

Thank you again.

Dear Keith,

I am sorry I have taken so long getting round to writing this. I can't express just how your service totally exceeded all my expectations.

I made contact with yourselves via a chance enquiry on the Internet as I wanted to source a particular Celtic design of headstone as a pair for my parents graves and all quotes I had had to date the family simply could not afford. Not only did you arrange to do it as a price we could afford but the quality is outstanding, and you took care of absolutely EVERYTHING and installed before we even knew it! The final confirmation with pictures of the finished headstones in situ just took my breath away. So on behalf of us all 'Thank You'! I would not hesitate to recommend your services to anyone and everyone.

Best regards,

Dear Keith

I had to drop you a line to let you know how pleased I am with my son, Jackson's headstone and kerb set. Thank you so much, it's beautiful, exactly what I wanted. Ordering a headstone for one of my children was something I would have never ever thought I would have to do. However, I had to do it. Your service was fantastic and so easy to use and your personal advice made my decisions that much easier to make. I will be in contact in the future to order a vase from you.

A first class service all round.

Hello Keith

UK Memorial service were amazing. They were conscientious and professional.

The team guided us in picking the right headstone for our father, something as hard as this, is daunting and overwhelming and they made the process that much easier.

The UK memorial service went above and beyond the call of duty and the memorial we finally chose is fantastic, we will be forever grateful for the personal and exemplary service we received. My family and I cannot recommend them highly enough.

Hi Keith,

Just a quick line to say thank you very much to you and your staff, for the excellent headstone that you have provided. I would also like to thank you for getting it installed prior to the ceremony that we planned. Everyone who attended was most impressed with the way it looked.

I thought ordering a headstone on-line to be a little untraditional at first, but would now recommend this to anyone. In fact, and I already I have, I believe you are now handling an enquiry for Mr Phil Everitt, who was keen to know how our order proceeded and was able to witness the end result at the ceremony.

Best wishes,
Marcus Benjamin, France

We would just like to let you know that we are extremely pleased with the headstone and vases you made for our daughter.

It was a very hard decision to find a design we liked and one which we thought was appropriate for her age and we photographed an old headstone for you to copy. Your stone masons have done a brilliant job and not only do all our family love it but other visitors keep asking us who we used for our head stone and you are getting lots of recommendations.

We were expecting the process to take the 3 months quoted and were pleasantly surprised when the fitters knocked on our door as they were delivering 2 vases and advised us that the headstone was in place. It was a lovely surprise as her 18th birthday had been a few days before. They were very helpful as well advising us how to look after the stone and also should it need releveling to get in touch with yourselves and they would happily come back.

All in all you handled the whole process very professionally and we are pleased to recommend your company to anyone.

Jill & Derek Farrelly - Sidcup , Kent

My family and I are delighted with the headstone and we are most grateful for all the help you gave us.

I will not hesitate to recommend your company.

Dear Keith,

I just had to write and tell you how happy my sister and Ann I are with our mothers memorial that you arranged so efficiently, professionally and with great sensitivity. We both went to the grave on the anniversary of her death 7 April and felt proud to have such lovely memorial there to visit.

I will certainly recommend you and your memorial service highly to others. Please pass on our sincere thanks to all involved.

Hi Keith,

My wife and I would like to thank you and your company for the memorial to our daughter Shirley which you had installed around the end of September at Hill View cemetery in Welling, Kent.

I am sorry not to have got back to you sooner but since returning from holiday the time just seems to have flown by.

We think the photo is fine, you did a good job on it considering the resolution of the photo file I sent you was not as high as you would have liked it to have been.

Once again we would like to thank you for all you have done. Kind regards

Thank you for organising the visit to the Benfleet factory yesterday. Everyone was very welcoming and we enjoyed the factory tour. We were impressed with the fact that when we mentioned the kerb set was black and white with white stone steps the man in the factory (sorry I don't remember his name) was able to quote the code number to us. The digital photo etching was very impressive.

I hope you understand this was for my mum in law's piece of mind as she is not used to spending this sort of money and I queried the price so she knew all was in order.

Once again thank you for all your help and we can't wait to see the finished kerb set all erected and looking lovely and we also noticed you had confirmed that it can be erected by the date we wanted.

We will have no hesitation in recommending your service (if that's what you do with this sort of thing) to others.

Best regards

On behalf of myself, and my family, may I take this opportunity of thanking you for producing an exquisite and unique headstone for my beloved husband Paul.

When I placed the order for the headstone, I was guided by Keith, whose expertise and experience were exemplary. **Your Service and craftsmanship is beyond belief.** When the stone was finally laid in place my family were absolutely amazed at this beautiful memorial. Words cannot describe how we felt, but the majority of the comments of those who have visited the cemetery, have described it as "awesome". It truly is a fitting tribute to my husband, whom I know would have been very proud and honored to see it.

I cannot thank you enough for Keith in particular, for his sensitive and kind words, which, as you obviously appreciate is a very difficult time for anyone who has lost a loved one. It remains for me to say, I have most certainly recommended your service and will continue to do so.

On behalf of my sister and me, I wish to thank you for your caring attitude and efficiency and advice with the wording on our Dad's headstone. Although we couldn't get down to Sidcup, Kent to see it at this time, my daughter has sent me photos.

My Sister and I now have a permanent and fitting memorial to our brothers and parents.

Ronna Tassinari, Suffolk

p.s please pass out sincere thanks onto Keith, the gentleman we spoke to on the phone.

In today's climate when everyone appears to be complaining about everything I thought I would like to write and thank you very much for your excellent service and product.

My Sister, Mrs Harrington & I are very pleased with the new memorial for our Mum & Dad and know they would have been very happy with it.

We certainly would have no hesitation in recommending you to anyone, in fact my sister already has a friend who will be needing to do the same thing soon, and has already mentioned your company to her.

Thanking you once again
Yours faithfully,

Angela Harbour, Surrey

I just wanted to say on behalf of my mother and myself, thank you so much. I visited my grandparents grave today and it was a very pleasant surprise to see the stone. It is perfect and I have taken photos of it and sent it to my mum, as she now moved to Corfu. My grandparents would have liked it so much, if that makes any sense at all.

Sarah James, Birmingham

Just a note to say thank you for how you helped me with Anita's grave and how nice it looks.
